

SPOTLIGHT

PROM KING AND QUEEN

Congratulations to Open Door School Prom King Aaron and Prom Queen Makynzie. The students enjoyed a fun night of celebrating and looked great as they posed for their crowning!

Aaron Reed of Coal Grove started attending Open Door School when he entered high school. He likes doing math and any work given to him. He loves his teachers and being with his friends. His favorite part about prom was getting dinner served to him and getting his photo taken as Prom King. After graduation Aaron would like to be a door greeter for a company.

Makynzie Lincoln of Chesapeake started attending Open Door School as a young child, after finishing preschool at the former Early Childhood Center (ECC). She loves the teachers and doing fun things. One of her most exciting things to do was to be featured in an interview on TV. Dancing was her favorite part of Prom and loved hanging out with her friends. Makynzie was so surprised and excited to be crowned this year's Prom Queen. Next year Makynzie will be attending Collins Career Center with a focus on being a Graphic Designer after she graduates.
